Summer Camp JK to Gr. 4

Weekly Themes

July 8-12

week 1

Earth Rangers

Nothing tastes better than food you grow yourself! This week we will dig into how and where fruits and veggies of the rainbow grow. Make our own mini terrarium, trek through our ecosystems, and learn about horticulture.

**Forsythe Farm Trip*

July 15-19

week 2

Careers Exploration

Get a taste of what it's like to be a firefighter, doctor, chef, an artist and more. Our goal is to ignite curiosity and help children dream big about the many exciting careers that await them in the future.

**Bico Studio Pottery Workshop*

July 22-26

week 3

The Animal Kingdom

Is it an alligator or a crocodile? A leopard or a jaguar? The wild world of animals inspires questions at every turn. Children will really sink their teeth into this week to learn about some of nature's most amazing creatures.

**Hands on Exotics Workshop*

Jul 29-Aug 2

week 4

From Stars to Sea

Our Earth is covered in beautiful oceans, but how much do we know about them? We're diving deep down to the sea floors and blasting off into space for a galactic adventure through the cosmos.

**LEGOLAND Trip*

Aug 19-23

week 5

Anatomy Discovery

From exploring the skeletal system to understanding how our muscles work, children will embark on a fascinating journey of self-discovery and encouraging a lifelong interest in health and biology.

**Ukulele Workshop*
